REVIEW

about the making of the series

Please send any questions you
might have!

Thanks in advance for your help!

THE BAD

like I mentioned earlier,
«shovel up» was a collaboration
of the universes of two hit series,
«hardcore leveling warrior» and
«+99 reinforced wooden stick»,
giving it a huge advantage as a series

but as the writer for this series that had
to build on such amazing universes,
I couldn't help but see my weaknesses
as a writer during the process

not only have I always wanted to try writing a fantasy action story but I also didn't want to miss the opportunity to participate in such a huge project

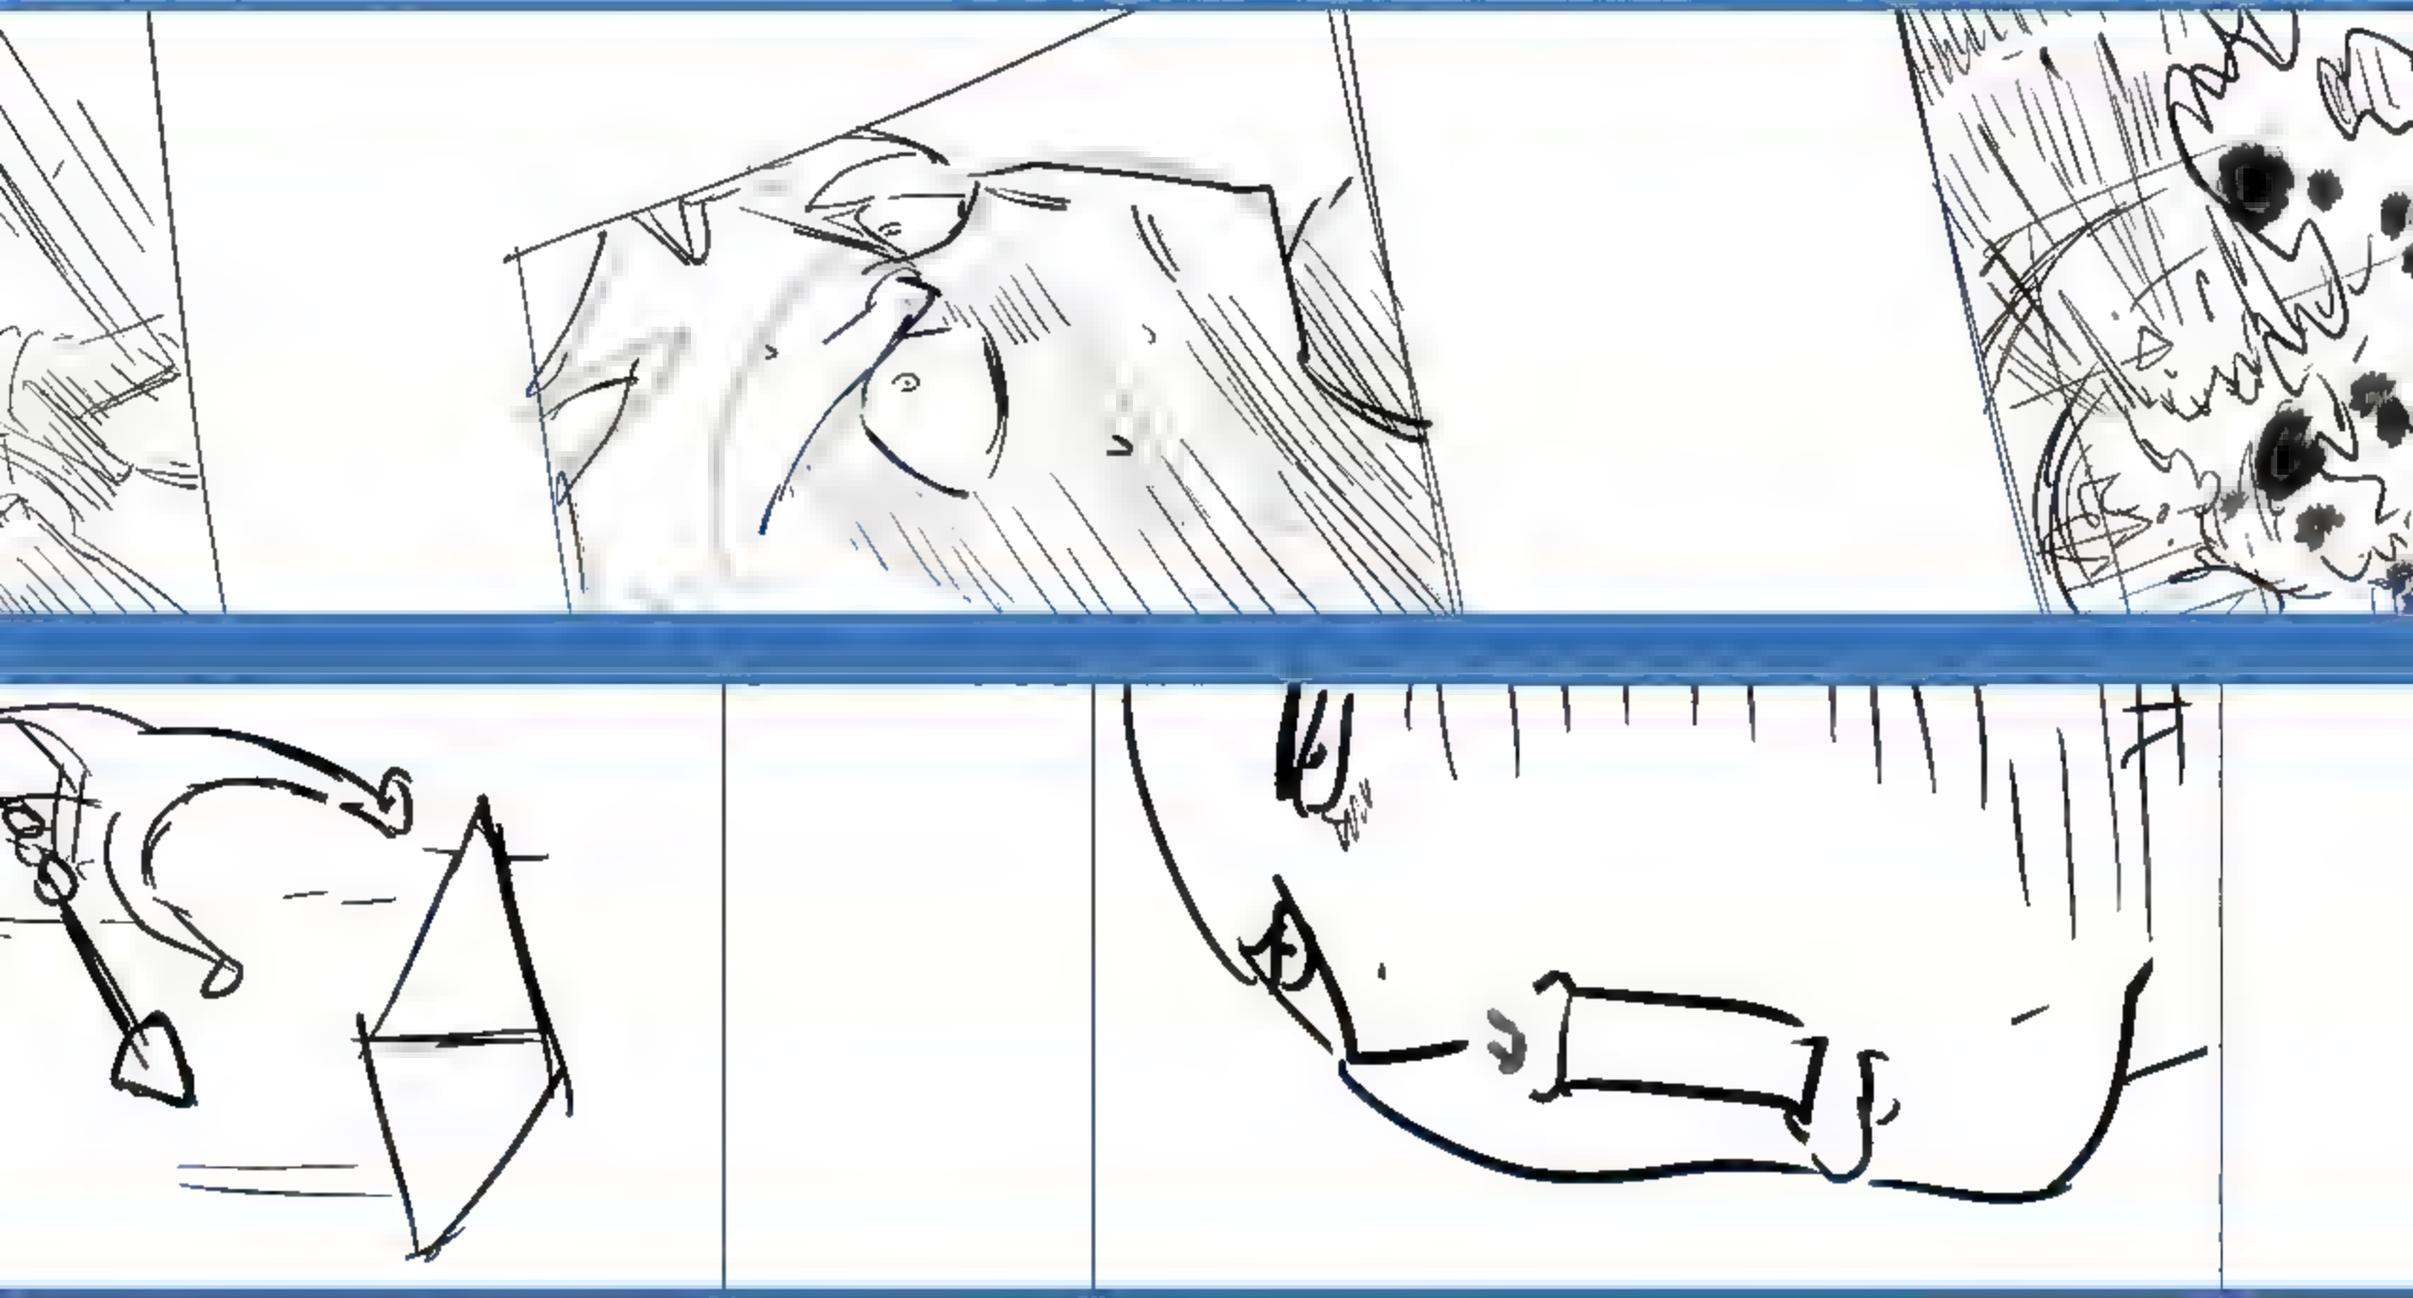
but as someone who's used to the romance genre I found it difficult and taxing to keep up with the story pacing of an action story as well as

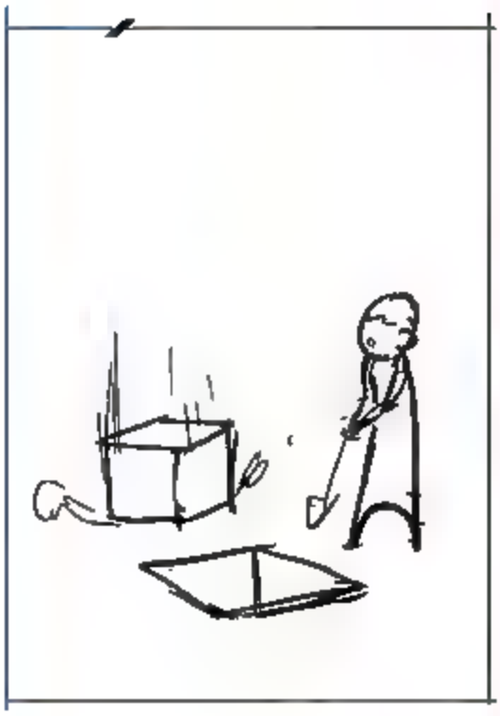
the tastes of readers of the genre.

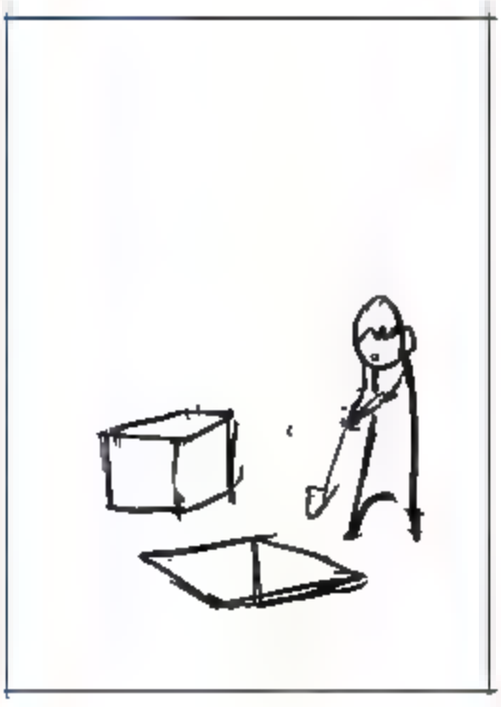
I'm just making excuses at this point.

With the eunha story arc having some romance in it, the team praised the story arc for being the biggest reflection of my work. I'm glad they liked it, but it was a bittersweet feeling.

The deeper I got into this series, the more I realized that sehoon kim, hongsi, and jbery were doing truly amazing work with "hardcore leveling warrior" and "+99 reinforced wooden stick."







to make up for my shortcomings, the agencies and artists from each series helped direct the storyboards, the action direction, as well as sharing other resources with me. It's thanks to their full support that we were able to complete this series.

Most importantly, I needed to make sure the characters from the two series stayed true to themselves - so starting from the middle of the series, I would go to each of the studios weekly to consult with them.

I took some time to reflect after receiving some reader comments saying that their favorite characters weren't portrayed the way they thought they should be.

and I am truly sorry to those who are fans of the two series.

furthermore, i should have been more creative with the shovel and its abilities, as these are key parts to jseok's identity.

but my knowledge of the sandbox genre of games was lost, not enough.

which is why before the series started, i would take time to play some recommended sandbox games, as a means of both relaxing and studying up on how to apply this to the series.

and in the end, the series started off as one that wasn't respected for its faithfulness to the other

two but series as well as the sandbox genre

if only I had studied harder, I could have changed the reader's perception

but due to my lack of experience, I feel like I've failed to let the hard work of everyone else shine

THE GOOD

despite all of this, working on "shovel up"
was a very valuable experience for me

that's because I've always enjoyed
the "shonen" genre.

I was able to use the tips of artists I highly respect
work on a team with people who gave me their
full support and collaborate with amazing artists.

The working environment of creating "shovel up"
was like a dream come true.

I don't know if it's because
the characters of "shovel up!" also went through
their own hardships with me!!

...but although I always come to love
the characters of my stories

I've come to have just so much love
for Iseok-dong boney, Hacky grandpa, Eunha
and the rest of the cast

due to my shortcomings. Iseok could shine among the superstars like hardcore leveling warrior and peace

but towards the end of the series, I felt like I was able to portray Iseok's character well

and every time I saw the readers cheering Iseok on, I felt like I had reached success.

during the beginning of the series, when I first got started, I have such a great reviews. I was worried about whether or not we'd be able

to finish this series. Which is why I focused extra hard towards the end.

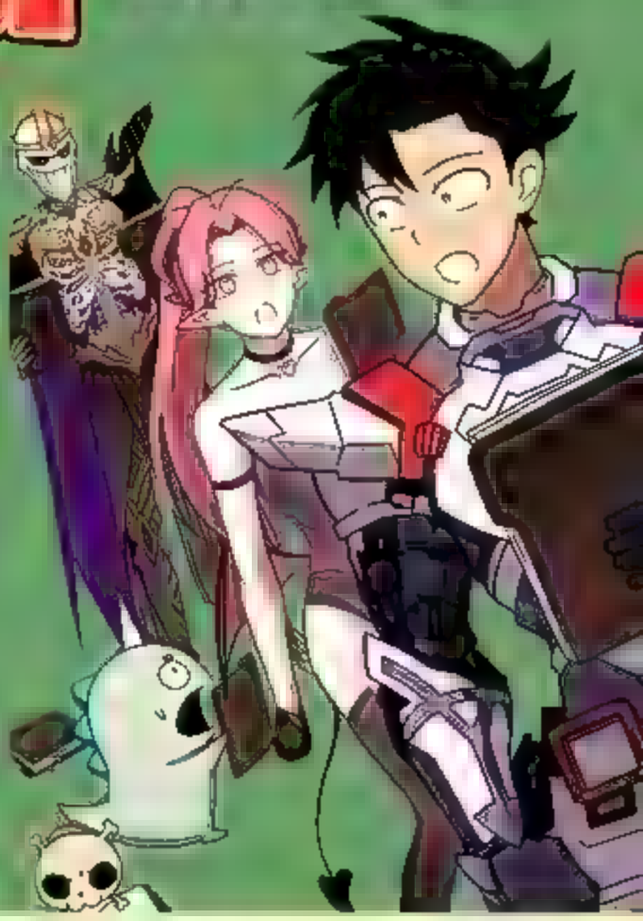
After seeing many readers say that they could tell we put a lot of effort into the last episode I was truly thankful.

It's thanks to all of you that I'll be able to let Jiseok and his friends go free into the world of another world.

thank you to all of the readers who joined jiseok on his journey.

and I promise that I'll be back to satisfy the readers who weren't satisfied with <shovel up!> this time around.

Shovel Up! UNIVERSE



here's a compilation of the profiles,

I've been wanting to put all of this

this is quite a long document,

FORM CHANGES

«RIA THE CREATOR»

[redacted]

DESCENDS UPON GRANTURIS'S BASE AND ORDERS

THEN TO HARASS THE USER WITH A SHOVEL.

≪RIA THE DEVELOPER≫

THE ANOTHER WORLD PROJECT IS A HUGE SUCCESS AND SHE BECOMES A DRIVING FORCE WITHIN THE COMPANY.

≪RIA THE HEALER≫

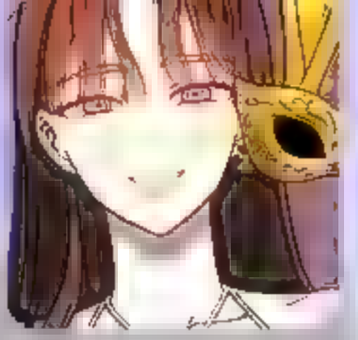
HEALS JISEOK WITH HER CONTACT SKILL. THERE WAS ACTUALLY NO NEED FOR IT TO BE A KISS, THOUGH.

≪RIA THE VOYEUR≫

SHE CONTINUES TO ADD RULES THAT ARE NECESSARY AS SHE WATCHES THE USERS FROM HER ADMINISTRATIVE SPACE.

≪RIA THE PRODUCER≫

EVEN AFTER PARTING WAYS WITH JISEOK AND EUNHA, SHE KEEPS AN EYE ON THEIR WHEREABOUTS.



«VACATION RIA»

THE ONE WHO WAS HIT ON THE MOST ON YANYAN BEACH.
NEVER WENT BACK AFTER THAT DAY.

«BLACK MARKET RIA»

AFTER DESTROYING THE KHAN FAMILY, SHE TAKES
ALL OF THE FUNDS THEY EARNED.

«ANOTHER ZERO»

DOES TESTS ON HERSELF TO BECOME A DATA BUG.
PROJECT NAME: NIGHTMARE.

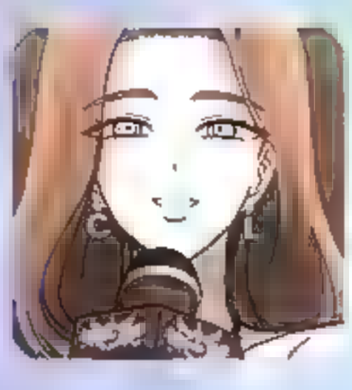
«RIA THE MIDDLE-SCHOOLER»

THE REASON SHE LIKES DINOSAURS IS BECAUSE
THE FIRST MOVIE SHE WATCHED WITH HER DAD WAS
A DINOSAUR MOVIE.

«RIA THE MOURNER»

ALL OF THE FUNERAL GUESTS WHISPERED ABOUT

HOW RIA HADN'T CRIED ONCE DURING HER OWN FATHER'S FUNERAL.



‹RIA THE STAR›

MANY TALENT AGENCIES REACHED OUT TO RIA AFTER HER SHOWCASE, BUT SHE REJECTED ALL OF THEIR PROPOSALS.

‹RIA THE DIRECTOR›

AFTER SELECTING JISEOK, SHE CONTINUES TO WATCH WITH JISEOK AT THE VERY CENTER OF HER SCREEN.

‹GIANT ZERO›

THE MOMENT GRANTURIS DEFIES HER, SHE FEELS BETRAYED AND GOES INTO A RAGE.

‹COUNTERED RIA›

DESPITE BEING ATTACKED WITH A KISS, RIA DOESN'T IMMEDIATELY DIE. INSTEAD, THE KISS GOES ON FOR 5 MINUTES BEFORE SHE IS WEAKENED AND FINALLY DIES.

‹RIA AWAKENS TO HER EMOTIONS›

WHILE DEOKBAE CARRIED HER, SHE WAS ACTUALLY CONSCIOUS, BUT MERELY PRETENDED NOT TO BE.

‹BIG PICTURE RIA›

ASKS JISEOK TO JOIN THE COMPANY EVERY WEEK. BUT THERE ARE ALSO MANY TIMES WHERE SHE DOESN'T ASK AND JUST GOES ON DATES WITH HIM.
